

Honourable Stockwell Day Tours Vancouver Shipyards

Vancouver Shipyards (VSY) had the pleasure of hosting the Honourable Stockwell Day, President of the Treasury Board and Minister Responsible for the Pacific Gateway, on a tour of their operations on April 14, 2010. During his visit, Minister Day was met by a couple of enthusiastic VSY employees (as pictured below).

Minister Day's visit was in regards to our shipyard's efforts to be nominated as a Centre of Excellence in the Federal Government's National Shipbuilding Procurement Strategy (NSPS) program.
